

## 60 Day Reintegration

The 60 day event is again mandatory for Service Members who deployed more than 90 days.

The 60 Day event occurs in a paid status but is a non-uniformed event and does not occur in an armory. The 60 Day reintegration workshop focuses on topics such as defensive driving, Behavioral Health Resources, Sleep Disturbances, Suicide Prevention and signs/symptoms of PTSD, TBI and depression. Also covered are resource and crisis -assistance centers. The VA, Military Life Consultant and Vet Center are present to visit with any Service Member or family that would like to get more information.

The logo is a circular emblem with a grey border. Inside, there is a silhouette of a soldier in uniform, facing forward. A large yellow ribbon is draped across the soldier's chest. The words "REINTEGRATION PRE-DEPLOYMENT DEPLOYMENT" are written in a circular path around the soldier. At the bottom of the emblem, the words "Yellow Ribbon Program" are written in a stylized, yellow font.
