If Soldier is currently DMOSQ in one of the NGB Critical Skill as identified in the current DSIPP guidance, Select "DSIPP REB 6YR NGB CS \$15,000 (365-271)" as Soldier per previous slide has 362 days before their ETS date. This Soldier's current MOS is not one of the NGB Critical Skills, therefore you must select "DSIPP REB 6 YR Non-Mobilized or Deployed \$10,000 (365-271)"

System will automatically verify NGB Critical Skill status after selecting continue at the bottom, however please be aware that system will not prevent you from erroneously selecting "Non-Mobilized" if Soldier's MOS is an NGB Critical Skill, which could lead to Soldier receiving a lower payment amount than what they are eligible for.
